

# THE OUTCASTS

ISSUE 'YOU CAN'T TAKE THAT AWAY FROM ME'

## A MESSAGE FROM YOUR SHERIFF

I hope you all enjoyed our Gathering of Outlaws here in the Forest of Walesby.

While the aim of the morning task was a little confusing, after some not so cryptic clues from our mascot, Floozy the Friar Duck, you were successful in transporting coded messages across the Nottingham without alerting the Sheriff!

For those of you who didn't find the link between the team names, they have all played Robin Hood in their careers (Yes, even Kermit the Frog)

Like the fabled outlaws of old, you explored the many taverns in the city, hid in the smuggling caves, had an adventure to Sherwood Forest and... sat in a café with cats...

After our excursion into the City, the evening was filled with a grand feast, dancing and merriment, before finding out

our best dressed outlaw was not wearing a tunic in the usual shade of green, but fluorescent pink!

The rest of the Outlaw Committee and I would not have been able to manage it without the help of the rest of the Merry Men and Women of Nottingham SSAGO, including some old members who dared to leave their caves for the weekend.

A many thanks to all of you for making this Rally a success, and I hope you didn't meet the Highwayman on your journey home.

Not only did we deliver the SSAGO guarantee of weather, it was actually pretty good!

The bounty on each of your heads should be lifted by the time it gets to ABBA Ball.... It all comes down to Money, Money, Money.... ✨

## BUGS & PUGS Resort to Eating Cardboard

The fate of the Gaddafi Plate challenge was worth the wait even if it stated a little late! PUGS won after some sudden death fun!

Picking up the card became very hard, most team members did well until all but one fell, into the mud with a thud while yelly "crud!"

## SSAGO SUCCESSFULLY HOLDS FREE AND FAIR ELECTION! NO UN INTERVENTION REQUIRED

Defying all predictions the SSAGO Exec have made significant steps towards relinquishing power by holding free and fair elections, which results have been verified by SAGGA. The SSAGO Exec were quoted saying "Thank you to everyone who took part in this democratic exercise" before boarding their battalion of pink tanks.

It's expected that the new SSAGO Exec will assume control at Aber Does ABBA Ball, with all indications pointing to a peaceful transition of power.
