## EGM Postponed

On Sunday morning, the decision was made to postpone the EGM as there were no bids for Autumn Rally 2022.

Since then, the EGM has been run and congratulations to the Re-Build a Rally team, Lexie our new Associate Rep and Lucy our new Indie Rep!

# Closing Ceremony

We managed to time our closing ceremony to coincide with the start of the rain. Although we kept it quick, we did award the traditional rally awards, with one award even going to Tom, one of our Catering team.

If you have one of the awards from a previous rally, please do get in touch so we can get them to their new winners!

# Rally of Games

Join us at Overstone Campsite, Northampton on the 17th-19th of June 2022 to celebrate SSAGO's love of games of every type with Rally of Games.

If your favourite part of games is competition there is currently a competition to design the rally badge (<https://rallyofgames.ssago.org/rog/badge>).

If you like badges but don't want to design one you can buy our playable Ludo badge, either with pins and dice to play with or without (<https://ludobadge.ssago.org/>).

For updates on all that is happening with your next summer rally follow the Rally of Games Facebook page and rally\_of\_games on Instagram.

Dim yn gallu cael digon o raliau? Eisiau ymweld â'r wlad gyda'r faner orau yn y byd?\* Pam y mae SUGS yn mynd yn wallgof am bicau ar y maen?

Efallai bydd y cwestiynau hyn a fwy yn cael eu hateb yn Rali Cymru!

Yn cael ei gynnal gan Abertawe (ddinas Llychlynwyr, credwch neu beidio) ac yn cael ei chefnogi gan glybiau SSAGO De Cymru, mae Rali Cymru yn anelu at arddangos y gorau gall Cymru gynnig... Ar gyllideb myfyriwr. Disgwyl ymlaen at Dwmpath, cacennau fflat, a llawer o nwyddau sy'n seiliedig ar ddeirgiau.

Nodyn: dydy Cymraeg dim yn gyfrwng sydd ar gael yn ystod y digwyddiad, wrth i'r pwyllgor fod yn Saeson. Mae'n drwg ganddyn nhw, maent yn difetha popeth.

Can't get enough of rallies? Want to visit the country with the best flag in the world?\* Why the hell do SUGS keep going mad about Welsh cakes?

All these questions and more may or may not be answered at Rali Cymru! (Wales Rally!)

Hosted by Swansea (a Viking city, no less) and supported by the South Welsh SSAGO clubs, Rali Cymru aims to showcase the best Wales can offer... On a student budget. Expect a Twmpath, flat cake things, and a lot of dragon-based merchandising.

Note: Welsh will not be an available medium during the event, due to the committee being English. Sorry, we ruin everything

\*It's got a dragon on it, there's no competition

# Thank You

Thank you to everyone for making Viking Rally such an amazing weekend, it wouldn't have been possible without the large team of volunteers.

A special thank you to our minibus drivers, Ant our Events Officer and all those who helped in the kitchen throughout the weekend.
