Spring Rally 2018

Welcome to the World's Biggest Rally

Well isn't this the greatest show of SSAGO-ers we've ever had in one place! Welcome to the many new faces we have joining us this rally, it's fabulous to have this many of you with us! The committee had the great idea of putting a camera in the main hall for you all to spam a google account with so we thought we'd share some of our favourites with you.

SUPER SIMPLE MANUAL TO MASCOT KIDNAPPING

Mascot 'stealing' or 'kidnapping' on rally is suppose to be fun and funny, and it is as long as we remember the few SSAGO Mascot Kidnapping guidelines!

1. Kidnappable mascots on Rally are only those that are listed below and overleaf; they can be kidnapped and held for forfeit.
2. Non-Kidnappable mascots are either historically important to the club, worth a significant amount of money or are fragile. These mascots are not allowed to be stolen under any circumstances.
3. The hosting club's Kidnappable mascots are non-kidnappable for the duration of the Rally.
4. Mascots can be kidnapped at any time during a SSAGO event as long as it doesn't involve any criminal acts.
5. A mascot may not be forcefully taken from a person looking after it. It may only be taken if the mascot is left unattended or if handed over to someone accidentally.
6. Mascots can be kept by the kidnapping club or individual until the next opening/closing ceremony of a National SSAGO Rally, whichever is sooner. The return of the mascot is dependent on the owning club doing a forfeit.
7. If the mascot is recovered (under the same rules as point 4) before the next opening/closing ceremony, then they shall be exempt from forfeit.
8. National SSAGO Chair has the final say in any disputes, but with this guide there shouldn't be any!
(Paraphrased from the "SSAGO Mascot Kidnapping" policy"... yes it exists. #adults)
