Spring Rally 2018

Farewell Travellers

Thank you so much to the Young Goats for running an amazing rally for us all, you did a great job of organising the biggest rally ever for us! Hopefully the weekend created some amazing memories for you but we thought we'd share some of the best bits caught on camera, and some of the silliest SSAGO moments!

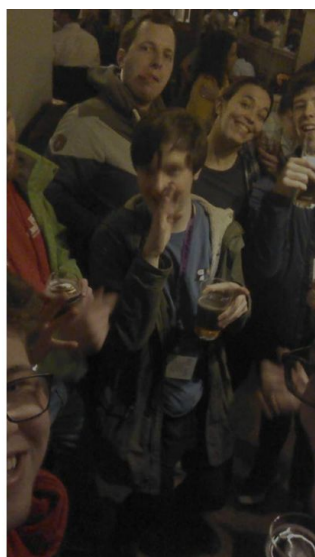

Big shout out to the young goats for feeding us all so well, even through the AGM!

Come on, come on, do the locomotion with me!

It wouldn't be a rally without all our cuddly friends enjoying it too! Here's Russ Sprog on the iconic photo tour.

Well done to the circle line pub crawl who only managed 6 of their 27 stops!

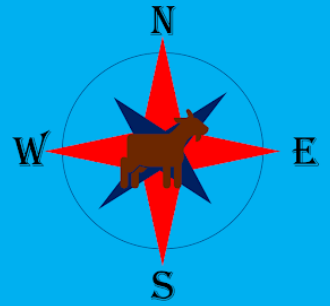

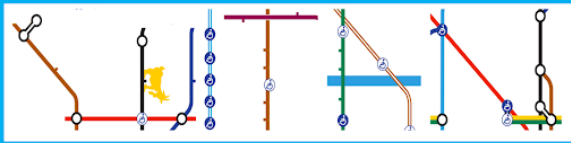

Get your dance on! Some great laughs were had in the Salsa class!

That looks toasty!

To read a great summary of Mythili dk's weekend check out her blog here:
