

90s Rally off to a Toasty start

Nearly 200 Student Scouts and Guides from 24 clubs based at Universities across the country have arrived (or are still arriving) in Devon for PLymouth Scouts and Guides (PLUGS) 90s Rally, the Rally of the (last) century!

They were met by a starry November sky and one of the largest and most impressive campfires SSAGO has ever seen!

Nancy Saves the Night

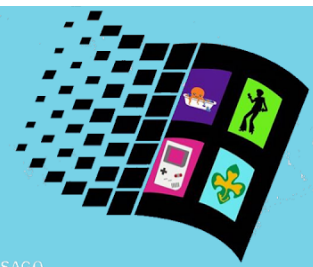

After locking themselves out the kitchen, there was only a brief period of panic before Nancy with the keys arrived quick as a flash to unlock again... she wished us a happy camp, so let's make the most of it!

Aber still not quite all here

While the majority of Aber arrived around 1am as per usual, there are still members and mascots racing to site as we speak (depending on how quickly I get this printed). Apparently this was planned, so the spoon of incompetence still eludes them...

...but watch this space.

ASTROLOGY

ARIES: Your best days are ahead of you.

AQUARIUS: Your worst days are behind you.

CANCER: In a freak turn of events, things are looking slightly better for you.

GELOTOLOGY

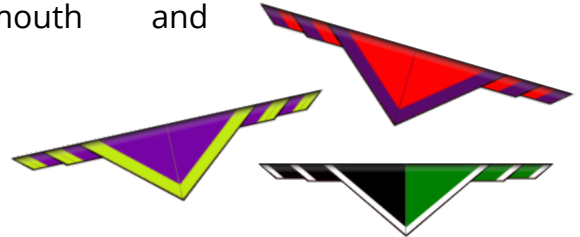

I lost my job at the bank on my very first day... a woman asked me to check her balance, so I pushed her over.

I tried to sue the airport for misplacing my luggage... I lost my case.

6:30 is the best time on a clock... hands down.

Warm Rally welcome to...

Essex, Portsmouth and Swansea, it's great to have you back at a national SSAGO rally!

Of course we also want to say a **HUGE** welcome to all the new Freshers and rally-first-timers who have braved the cold for their first taste of SSAGO on a UK scale!

**"Complete me!
Complete me!"**
