

## What a Cracking Time

We ate 30kg of turkey, 18 litres of jelly, drank more than I intend to count, used 4 buckets of 90s TV style gunge and smiled and laughed our way through the weekend. Another national event is over, and another massive album of photos has just begun!

### Say Hello! Eho!

Another Rally Saturday night saw another SSAGO costume competition, this one featuring all our childhood favourites; Mr Blobby, the Teletubbies, Mr Men and Baywatch...

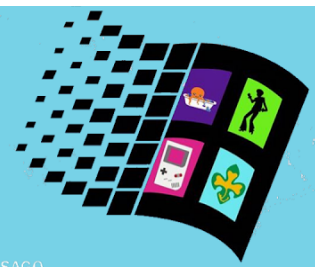

### A Massive Thank You!

Thank you so much to PLUGS for all the effort you've put into Rally, I think it's safe to say we all had a great time and it's thanks to your hard work that we did! Hopefully you've caught up on sleep now you've had a chance to sit down and relax again.

Thanks also goes to the National Exec for all the work they put in throughout the year that we don't see, especially in the run up to national events.

## We Like To Move It Move It!

**Not the Drinkers Badge winners, but still quite drunk!**

### ASTROLOGY

**VIRGO:** The alignment of stars and planets won't affect your life in anyway, unless you're an astronomer or sailor.

**GEMINI:** Help, I'm stuck in a horoscope factory!

**CANCER:** It may be looking good for you, but you'll have to find out when the newsletter returns at "Witan in a Weekend" Rally!

### GELOTOLOGY

What's brown and sticky?

A Stick.

What's the worst thing about throwing a party in space?

You have to planet.

It's hard to explain puns to a kleptomaniac, because they always take things literally.

**Have we mentioned the 50th Challenge badge yet?**

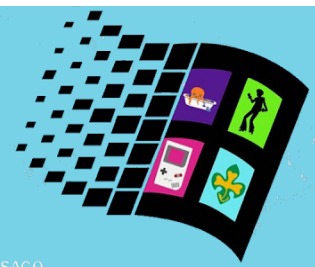

You've probably ticked off most of it this weekend, so head along to [anniversary.ssago.org/challenges](http://anniversary.ssago.org/challenges) to log your points!

Keep an eye out for details about ordering the real badge over Christmas!

## Hall of Fame

Mr Blobby enjoying a post rally 'spoons

Idris continuing the theme of impromptu art on the journey home

Anona became the first SSAGO member to be knighted, or spooned...

The Rally media team for all their hard work this weekend, hope you liked "Woody's Roundup"!

Adrian, for managing to injure himself stealing a mascot (though was successful!)

Whoever let Fran have the megaphone so much this weekend!

## Hall of Shame

... and finally SSAGO Chair Josh for having to convince people to run for SSAGO National Exec whilst covered in gunge and standing in a bucket.

Look forward to seeing who runs in the AGM for 2018/19!

## From Fame to Shame

Elizabeth from SAGE managed to go from playing Flute in the Ceilidh band, to crawling around begging for their mascot to be returned... still smiling throughout though!

**The SSAGO Newsletter will return at "Witan in a Weekend" Rally... see you in February!**
